COMPANY PROFILE

Dear Friends

SMH Engineering & Trading Company was founded in January, 1987 and SMH Engineering Ltd. established in January 2001.

Our trade is mainly indenting and participation in international tenders on behalf of overseas reputed manufacturers for whom we work as marketing agent. However, we also import various equipment and sell them in the local market. We give warranty and provide after sales service for all goods supplied and/or sold by us. In course of our business, we have become Exclusive Agent of many overseas manufacturers and suppliers. You will find a selected list of the same in the following pages.

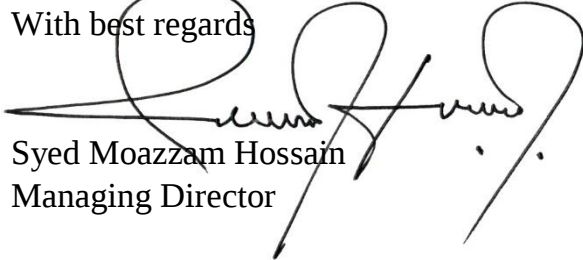

Along with trading business we also extended our business in manufacturing of Electric Meter, Sweaters & plantation of Rubber, Mango & Horticultures which you can find in the group subsidiaries. In 2012 we have opened a Company in UK for Sourcing of products & Services.

Apart from business engagements the undersigned is effectively contributing in different policy issues of the Government as a leading member of FBCCI, DCCI, BIAA, CCIFB, BMCCI, BGMEA, BKMEA and many other socio-economic & cultural organizations. So, for the business which are not of our primary concern we may try to develop or we will work as a mediator to introduce our interested friends without any obligation.

Through tireless efforts as we did in last 22 years, we always hold ourselves eligible for your trust & patronage.

At last, but not the least we wish a friendly global business environment in days to come.

With best regards

Syed Moazzam Hossain
Managing Director
